Proposed Change

Leona Munro's team has requested a design iteration to the website's UI design. On 25 Feb '20 Leona Munro's team requested changes to the colour shades of the website's UI as the original colours selected did not result in the team's desired visualization.

Description of Request

GummyBear will apply the follow colour shades selected by Leona Munro's team to the UI design:

#788787 Or rgb (120,135,135)

#AB776A Or rgb (171,119,106)

Justification

On 25 Feb '20 Leano Munro's team requested changes to the colour shades of the website's UI as the original colours selected did not result in the team's desired visualization. '20 Leano Munro's team perceive the colours selected above will achieve their desired visualization.

Impact of Not Proceeding

Leano Munro's team will not have a website with a UI design which incorporates the team's desired visualization.

Alternatives Considered

1. Designing of the UI with the new colours before the completion of the design phase of the website currently under development.
2. Not creating the new UI-Designs.
3. Creation of the new UI-Designs after the completion of the design phase of the website currently under development.
