CENTURO GLOBAL BATTLEGROUND

The Ultimate New startup Pitching Competition

£100,000

Oct 2019

London, UK

[Apply Now](#)

We are excited to announce that the next Centuro Global Battleground Final will take place at the Centuro Global Annual Conference in October 2019.

HOW DOES IT WORK?

Round 1

Selection

All applicants must submit a business plan. Applicants will then initially be narrowed down to 50 successful competitors who will enter the London arena in September 2019 and face a panel of pre-eminent judges.

Ahead of this qualifying round, each competitor will be assigned a mentor and receive a coaching session to help them prepare.

Round 2

Play-offs

There will be multiple rounds of 60 seconds each, where each competitor will present on different areas of their business plan. The judges will then select their top 3 startups to progress to the Live Final in October 2019.

The pitches will be filmed and shared on social media, providing competitors with further marketing opportunities.

Round 3

Live Final

The 3 finalists will pitch again in the ring in front of a live audience, where one lucky winner will secure the £100,000 prize to inject into their business.

STEPS TO APPLY

If you are a member of the Centuro Global Business Hub, please submit your business plan to your Centuro Global contact. If you are not currently a member, you can complete your registration through [Eventbrite](#).

Once registration is complete and we have received confirmation

- We will send an email requesting further information including a detailed business plan for our panel to review.
- The business plan should include information on your business model, the market opportunity, the team, competitors, and financials.
- Applications from all sectors and countries welcome.

If you have the mettle to get in the ring and face our panel apply now!

YOU HAVE BEEN SHORTLISTED

Dear Candidate,

We are pleased to inform you that you have been shortlisted for the next round of our hiring drive, for the position of **Integration Engineer** at Haptik.

Before we meet you, on **Saturday, April 27th 2019**, here are some things you need to know:

About Haptik

Haptik is one of the world's largest Conversational AI companies, having processed over 2 billion conversations to date. Established in 2013, long before chatbots became popular, Haptik has been at the forefront of the paradigm shift of interaction from clicks to conversations.

We help enterprises leverage the power of AI to automate critical business processes and improve overall customer experience.

About The Role

As an Integration Engineer, you will be building complex bots using Haptik's proprietary tools. To work effectively, you will need to have an in-depth knowledge of backend systems, design principles, and good coding practices.

For a more comprehensive description of the role, click [here](#).

Agenda for Hiring Drive

- Report to the Haptik office in **Goregaon, Mumbai** by **9:30 AM** on **April 27th, 2019**
- The online written programming test, will commence at exactly **10:00 AM**
- Python is the preferred language. However, you may use any other programming language of your choice.
- If you pass the programming test, you will be interviewed by our developers, engineering managers and CTO.
- If you pass the interview round, you will be made an offer to join Haptik by the end of the day.

Note: Please make yourself available for the entire day, as the process can carry on till **6:00 PM**, depending on how far you progress. Refreshments will be provided at our office.
